Delivering in real-time to those who are overseas having immigration issues or just unable to make the trip.

Let us put you all at the event so that you can be apart of such a milestone. Gone are those days. Today there are no acceptable barriers or excuses for not being there for your Daughter, Son, Dad, Mom, Next of Kin a relative, or just that good friend.

Love ones at a wedding service

DON'T MISS ANOTHER IMPORTANT MILESTONE

Reduce cost:

Make the most economical, financial and technological-ly advanced decision for your family.

Webcasting provides for huge savings when you cannot afford the travel expenses for the entire family to make the trip.

Do not limit the experience to only those who could make the trip

Share in the reception via webcasting

Choose “Live Streaming” (Video & Audio) **to deliver your content over multiple platforms via the Internet:** (Internet Applications (Apps) allow for multiple/wider distribution via IPHones, Androids, Roku, PC, MAC, etc)

Wedding Webcasting with Rocky Sons Production Limited enables family and friends who are unable to attend, to take part in their loved one’s wedding and reception.

Do not wait for picture uploads, DVDs or an edited report.
